

## Foreword

The Office of Institutional Research is proud to present the third publication of the *Southern Polytechnic State University Fact Book*. The *Fact Book* is designed to provide current and historical data about Southern Polytechnic to aid decision-making.

As you review and use this publication, please make a note of items that you feel should be added or deleted. Continued improvement is the goal, and current and future publications of the *Fact Book* will reflect suggestions for change.

Enclosed with your copy of the *Fact Book* is an evaluation form. We ask that you take a moment to help us improve this publication by completing and returning the form. Your suggestions and ideas are appreciated - thank you for your interest.

Again, I would like to express my gratitude to Ms. Sue Woolard from the Office of Information Technology for her support and expertise in formatting the final product.
