Average Length of Time to Earn a Degree (continued)

 On average, it takes graduate students more than two years to earn a masters degree in the following programs: **Quality Assurance, Construction, Technical & Professional Communication, and Software Engineering.**

 On average, it takes first-time freshmen more than six years to earn a bachelors degree in the following programs: **Information Technology, Construction, Architecture, International Technical Communication, and Telecommunication Eng Tech.**

 On average, it takes transfer students more than four years to earn a bachelors degree in the following programs: **Technical & Professional Communication, Industrial Eng Tech, Electrical Eng Tech, Apparel/Textile Eng Tech, Architecture, Mechanical Eng Tech, Civil Eng Tech, and Telecommunications Eng Tech.**
