**Student Status Committee**  
13 April 2004

Present: Dave Cline, Registrar  
Brent Jenkins, ECET  
Briana Morrison, CSE  
Steve Hamrick, Registrar  
James Whitenton, BCP

1. It was proposed that 8 semester credit hours be designated as full-time study for the Summer term. A motion was made and passed to approve 8 SCH as full-time for Summer.
2. The sections of the General Catalog under the charge of this Committee were reviewed for the 2004-2005 General Catalog issuance. Appropriate adjustments and modifications were made thereto, for incorporation into the 2004-2005 General Catalog. In particular, the "Attendance" section was modified to meet requirements of Federal law, requiring instructors to notify the Registrar's Office if a student has not attended class for more than three (3) weeks without withdrawing.
3. Approved Petitions to the Faculty were as follows:
